Beyond the Sky: You and the Universe

So you want to go into space? WHY?! (No, really-it's sort of a TERRIBLE idea. We humans are perfectly designed for life on Earth. We can walk around, breathe, drink water, eat vegetables,

Library Guide: Geography

The following books are all in stock in the school library and available for you to borrow for 2 weeks. Please remember to return them (or ask to renew them), so that others can benefit from them too. Reference books cannot be borrowed but ask to photocopy pages and we will show you how!

Note that they are not all in the same place on the shelves. You need to check the 'Class number' and find that particular section, NOT always the general section at the beginning of the subject area.

Not read adult detective for a while and absolutely LOVED this. Adding to library for older readers wanting good plotting and dialogue.
